**Notes:**

- Life Science is NOT credited as *lab science credits*; all other classes ARE lab science credits.

-Students leaving the AP track after freshman year may take any science elective

-The Lab Science Disciplines are: {

- L = Life Science
- E = Earth Science
- C = Chemical Science
- P = Physical Science

-Students bound for a 4-year university must take at least 1 from each of 3 different disciplines (Life Science, Earth Science, Chemical Science, and Physical Science) **except** AP courses
