2. You have the right to be respected and treated with kindness at school.
This means that others should not laugh at you, make fun of you, or hurt your feelings.
3. You have a right to be an individual at school.
This means you should be treated fairly whether you are tall or short, boy or girl, dress or talk differently or it takes you a little longer to get the right answer.
4. You have the right to work without being bothered.
This means that others should not bother you as you responsibly make good use of your time.
5. You have the right to express yourself.
This means that you may talk freely about your ideas and feelings when appropriate.
6. You have a right to tell your side of the story.
This means that you may tell your side of the story when accused of breaking a rule.

Responsibilities

There are some things you should do without being told. Some of these things you do for others and some of these you do for yourself:

1. You have a responsibility to come to school.
This means that you come to school every day, on time, unless you are sick or excused.
2. You have a responsibility to practice good personal cleanliness.
This means that you come to school clean.
3. You have a responsibility to take care of property.
This means observing all safety, playground, and classroom rules.

- Misbehavior on a bus can jeopardize the safety of everyone on board.
- A bus driver may prevent any person from riding the bus who is unable to identify him or her as a student in attendance. This can be done by showing the current school ID in disciplinary situations, and at any other time in the driver's discretion, the driver may ask to see a school ID.
- Bus drivers are responsible for control and discipline while the bus is in operation.
- Conduct reports turned in by the bus driver may result in: student discipline, up to and including suspension or expulsion.

Social Media

The wide variety of social networking tools presently available provides students easy access to share important news and events with each other. Social media sites such as Twitter, Facebook, Internet Forums, weblogs, social blogs, micro blogging, Wikis, podcasts, photographs, video rating, social bookmarking and others have many benefits in our world; however, they may also be disruptive when inappropriate posting or usage occurs. Using these communication tools in an inappropriate manner can have negative consequences, especially if unkind words or threats are used with intent to hurt others.

FUSD recognizes and supports its students and staffs rights to freedom of speech, expression and association, including the use of social networks. In this context, each student and staff member must remember that participating in FUSD activities is a privilege, not a right. Any online postings or usage must be consistent with federal and state laws, as well as team, school and district policies.

Prohibited content includes, but is not limited to, the following:

- * Sexually explicit, profane, indecent, illegal or defamatory language/images or actions

Student User Agreement - Use of Educational Technology Resources

(Safe and Responsible Use of Electronic Information Services)

Please read this document carefully. When signed it becomes a binding agreement.

- Understand that anyone who misuses, abuses, or chooses not to follow the EIS guidelines and procedures will be denied access to the District's EIS and may be subject to disciplinary up to and including expulsion for students.

A.R.S. 34-502 (enacted, 1999), which requires public schools to limit access to materials that are harmful to minors. The District may log the use of all systems and monitor all system utilization. It should be known and understood that any and all information on the FUSD network, with the exception of student records, is not deemed private unless so designated by applicable state or federal law or other District Policies. Accounts may be closed and inappropriate files may be deleted. The District is not responsible for any service interruptions, changes, or consequences. The District reserves the right to establish rules and regulations as necessary for the efficient operation of the EIS. The District does not assume liability for information retrieved via EIS, nor does it assume any liability for any information lost, damaged, or unavailable due to technical or other difficulties. All District computers including those with Internet access will comply with Any disciplinary action chosen shall be consistent with the severity of the violation. Frequency of EIS violations may also be taken into account. In response to intentional malicious acts, possible financial reparations may be imposed. Other actions taken shall be hierarchical in nature, in accordance with established FUSD disciplinary policy.

All potential users of FUSD's EIS must sign this agreement and return it to their school prior to accessing EIS. In signing the agreement, the student agrees to be bound by its terms. If the agreement is not signed or returned to the school, the student will not be permitted to use district EIS resources. If the terms of the agreement change, all students will be expected to sign the revised policy. Failure to sign the revised policy may result in denial or revocation of EIS privileges.

Student Discipline Policy (Policy JK/JK-R)

Appropriate behavior is a necessary prerequisite to learning. Each student must conduct themselves properly and in accordance with school rules, regulations, and policies at all times. Each employee of the District is responsible for helping to enforce proper student conduct.

The District further recognizes that situations may arise that, in the best interest of the majority of the students and of the District, will necessitate the removal of a student or students from school campus.

The District believes that close cooperation between parent/guardians and the school is the most effective method of preventing difficult situation from arising. The District recognizes its responsibility for helping to develop closer home-school cooperation and will:

- Inform parent guardians of situations that may be developing prior to the need for disciplinary action whenever possible.
- Develop and distribute clearly stated discipline policies, rules and regulations.

Student Discipline (Policy JK & Regulation JK-RA)

The Governing Board is committed to maintaining school environments that are stable and contribute to the educational process. Within this context, the Board recognizes the need for fair, consistent, and responsive student discipline procedures designed to maximize administrator, teacher, student, and parent understanding and involvement. Students are expected to conduct themselves, at all times, in a manner that will bring credit to themselves, their parents, and the school. It is important that students know that the school staff is legally responsible for the conduct of students during school hours, while the students are on campus, or at any school function. Students are expected to follow the directions provided by all staff members during these times of responsibility. Students going to and from school and students engaging in conduct outside of school that adversely affects the school community are also subject to school discipline.

Arizona law requires that school authorities regulate student conduct and discipline students for misconduct. Consistent with students' due process rights, school authorities will discipline students based on the nature of the offense committed and the disciplinary history of the offender to preserve the good order and educational climate of the school.

Disciplinary measures include, but are not limited to: conference with the student, conference with the parent, written warning, counseling, detention, and confinement with implementation of mandatory provisions, suspension, alternative school placement, and expulsion. Detention involves the

confinement of a student to a designated area of the school for a limited period of time. Detention could occur before school, after school, at lunch or during the school day. Expulsion means the permanent withdrawal of the privilege of attending or visiting a District school or a District school-sponsored function (See District Policy JKE).

Accomplice Liability (Aiding & Abetting) – A student who, with the intent to promote or facilitate the commission of a violation by another person of District Policy or Regulation: solicits or commands another person to commit a violation, or aids, counsels, agrees to aid or attempts to aid another person in planning or committing a violation, or provides means or opportunity to another person to commit the violation, may be disciplined to the same extent as a student who may be found to have violated the other District Policy or Regulation.

Students should be advised that additional consequences, relating to participation in extracurricular activities, may be imposed by the Principal, his designee, or the activity sponsor for the violation of any portion of the above policy. School Administrator may determine placement in an alternative educational program.

Students wishing to voluntarily participate in substance abuse course, who have not been apprehended for violation of the substance abuse policy, may do so by contacting a building-level administrator or counselor. Such students will not be subject to disciplinary action for this self-referral.

Orientation to student discipline

At the beginning of each school year, the principal shall ensure that each teacher is given a copy of the jointly developed criteria for the referral of students for administrative disciplinary action. These criteria shall be reviewed with all of the teachers. In addition, the referral procedure shall be outlined and given to each teacher.

Procedures governing referral

If the behavior of a student in class makes his presence unacceptable, the student shall be excluded from that class for the remainder of the period via proper transmittal slip to the appropriate administrator. The teacher shall furnish the administrator with the full particulars of the incident as promptly as his teaching obligations will permit; in all cases, however, appropriate information shall be furnished to the administrator by the end of the day on which the referral is made. Each referral shall be in writing. This information shall be furnished on a system form, with a copy to be retained by the teacher and a copy to be returned to the teacher and the student's counselor indicating the action taken. The administrator and/or the teacher may request a conference with the student and/or parent.

Procedures governing responses to referrals

If the teacher has not received a response within three (3) workdays after the submission of the referral, the teacher shall contact the appropriate administrator concerning the status of the referral. If, after another three (3) workdays following such contact, the teacher has not received a response to his referral and/or inquiry, the teacher may initiate action within the District's grievance procedure.

Procedures governing responses to referrals

- Upon a student's first (1st) referral, a conference with the teacher, the parent and the administrator may be held.

- Upon a second (2nd) referral of the same student by the same teacher or for the same reason during a semester, a conference involving the teacher, the parent, and the administrator is required.
- Upon a third (3rd) referral of the same student by the same teacher or for the same reason during a semester, the class from which the referral came shall be closed until a conference involving the teacher, the parent, and the administrator can be held and a decision can be made as to the action to be taken. All parties shall be notified immediately.
- The administrator may, if circumstances warrant, close the class prior to the third (3rd) referral.
- Should subsequent conferences occur, the principal shall determine whether the teacher's presence is necessary or whether a written statement shall be prepared in lieu of actual attendance.

Suspension (Policy JKD)

Approved school Administrator may suspend a student who is guilty of misconduct occurring while traveling to, attending, and returning from school, while visiting another school or at a school-sanctioned activity, or in any situation in which the District may lawfully exercise its authority to discipline a student, for a specific period of time.

Suspension means the temporary withdrawal of the privilege of attending or visiting a District school or a District school-sponsored function for a specified period of time. There are two types of suspension, a short-term suspension, up to ten (10) days, or a long-term suspension, more than ten (10) days.

Any suspension is subject to the due process rights set forth in District Policy JKD.

Student Suspension and Expulsion/Due Process Rights (Policy JKD):

1. Student shall not report to school during the period of suspension, except in the case of in-school suspension, unless coming to the office on official business with prior arrangement from a school administrator. Student is expected to be under the supervision of a parent during school hours when serving suspension days at home.
2. Student is not to attend any school event at any school campus during out of school suspension.
3. All work missed during a suspension is eligible to be made up within the amount of days of the suspension.

Student Code of Conduct

Students are expected to obey all rules and regulations adopted by the Governing Board and to obey any order given by a member of the faculty or staff relating to school activities (District Policy JIC).

Under Arizona law, students will be held to strict account for disorderly conduct on school property and on the way to and from school [A.R.S. 15-341(A) (13)] Students are expected to follow the directions of District personnel and agents while on school property, on the way to and from school, while visiting another school or at a school-sanctioned activity, or in any situation in which the District may lawfully exercise its authority to discipline a student. Students committing unreasonably dangerous or illegal acts while outside of normal school hours or functions may be excluded from school under certain circumstances.

Student discipline matrix of consequences

The categories of misconduct specified below are intended only as examples of the kinds of misconduct justifying discipline and not as a complete list of misconduct. Note: These are recommended disciplinary guidelines for some examples of misconduct. Depending on the circumstances of the offense and history of the offender, actual discipline may be lesser or greater at the administrator's discretion on a case-by-case basis. Offenses are cumulative during each academic school year. **Please review matrix at end of handbook.**

For the chart on the matrix the asterisks (*) is:

- * The violation must be reported to the Arizona Department of Education.
- ** The violation must be reported to local law enforcement as well as the Arizona Department Education

Responsible Thinking Classroom

The Responsible Thinking Classroom (RTC) is the school-wide discipline program designed to teach students to think about their behaviors. The key component of the RTC process is its focus on how students can achieve their goals without interfering with the rights of others. When students fail to follow the rules, school personnel will ask a series of pre-determined questions. Through the questioning process, students choose to remain with their class and respect the rights of others or they choose to leave and go to RTC. In the RTC, students think through and implement successful ways of handling problems by developing a specific plan. Once the plan is reviewed by the RTC teacher, the student must negotiate an approved plan with the referring teacher before s/he returns to class; however, if a student chooses to violate the rules while in RTC, s/he understands that s/he has chosen to leave school and to be picked up by a parent/guardian.

Elect to Learn

ETL is an intervention program designed to help students become more responsible for their own achievement and make positive choices. Students need to be prepared with completed homework, agenda, books and materials, be in dress-code, and wear their lanyard and ID at all times or they will be assigned ETL after school.

Important Notice

1. No pupil shall be suspended or expelled for any of the acts enumerated unless the act is related to school activity or school attendance. A pupil may be suspended or expelled for acts which are enumerated in this section and related to school activity or attendance which occur at any time, including, but not limited to, any of the following:
 - a. While on school grounds
 - b. While going to or coming from school.
 - c. During the lunch period whether on or off campus.
 - d. During, or while going to, or coming from, a school sponsored activity.
2. Disciplinary action will be taken if a student's behavior is disruptive to the instructional process or causes a danger to persons or property even though the offense is not defined in this Student Conduct Code.
3. See A.R.S. 15-841 and 15-843

Due Process Procedures

Due Process Procedures are described in Policy JK through JKE - E (Please use the link on the cover page to look up regulations contained in this handbook)

Attendance Policy (Policy JE)

FUSD strictly adhere to Arizona law (ARS-15-901(A)(1): Once a student has accrued absences that total 10% of the possible days in the school year (more than 18 days if the school year is 180 days), no matter whether the absences were excused or unexcused, all subsequent absences must be reported as unexcused. This rule applies across schools within a district if the student transfers.

Reporting an Absence

If you are absent from any class for any reason except a school-sponsored activity, your parent/guardian must clear an absence by 9:00 a.m. the same school day. S/he will need to use one of the following two procedures: 1) Calling the attendance office the day you are absent, or 2) Sending a note with you including: your name and grade, day and date of absence(s), the reason for absence(s), parent/ guardian signature and daytime phone number. The attendance window will be open at 7:30 a.m. You can turn in a written excuse at that time.

When cumulative absences exceed 12 days in a semester, a statement from a physician is required to excuse illnesses.

Petition for Absence

If your family finds it necessary for you to be absent from school because of a non-school activity, your parents/ guardian must notify the administration two (2) school days prior to the absence. The school will provide a petition-for-absence form for you to get your teachers' signatures and your class assignments. The form must be returned to the office before you leave school. Your parents will be advised if you are not doing well in school or if such absences will cause a loss of class credit.

Tardy Policy

Tardies will be handled through the Elect To Learn (ETL) or Responsible Thinking Classroom (RTC) Programs.

Student Sign-Out Procedures

Once your student is on school grounds and needs to leave campus, s/he must be signed out through the attendance office before leaving the building. It is considered a **truancy** if your student is not signed out, no matter what the reason. Only a parent, guardian or a designated adult over the aged of 18 who is registered in the school's data system may check out a student from school. Please include all family members whom you may want to check your child out of school. It is the parent's responsibility to ensure all potential emergency contact information is up to date in the computer data system. **Only those contacts listed may check out your student. ID is required at the time of check out for your child's safety.**

Sexual Harassment (Policy ACA)

The Governing Board prohibits sexual harassment of or by any of its employees, students, or visitors. It is the District's policy that all individuals associated with the District, including but not limited to the Governing Board, employees, students, and visitors have a right to work, learn, and visit all District sites in an environment free of discrimination based on race, color, religion, sex, age, national origin, disability, sexual orientation, and sexual harassment. All employees, students, and visitors at all sites must avoid offensive or inappropriate sexual and/or sexually harassing behavior. Governing Board members, employees, students, and visitors have a right and responsibility to report harassment experiences. It will be ensured that there will be prompt and equitable resolution of sexual harassment complaints by providing access to any needed information and materials concerning harassment, how to file a complaint, and a step-by-step process which will guide those involved, whether it be the accused or the victim. More information on reporting can be found in Policy ACA.

Student Violence/Harassment/Intimidation/Bullying (Policy JICK)

The Governing Board believes it is the right of every student to be educated in a positive, safe, caring and respectful learning environment. The Board further believes a school environment inclusive of these traits maximizes student achievement, fosters student personal growth, and helps students build a sense of community that promotes positive participation as members of society.

The District, in partnership with parents, guardians, and students, shall establish and maintain a school environment based on these beliefs. The District shall identify and implement age-appropriate programs designed to instill in students the values of positive interpersonal relationships, mutual respect, and appropriate conflict resolution.

To assist in achieving a school environment based on the beliefs of the Governing Board, bullying, harassment or intimidation as defined by this policy will not be tolerated.
